In order for other people to see your world in VRChat it must be built and published our game servers.

Build Succeeded!

Your world was built successfully!

Swimming Mechanic (Mono Script)

Assembly - CSharp.dll

Swimming Mechanic : UdonSharpBehaviour

each time a valid hand movement is detected.onger push, faster swimming.

float swimForce = 100f;

product alignment for a hand's "side" directionushing water.

float palmThreshold = 0.5f;

y is preserved each frame (0.98 -> 98% retained).

float waterDrag = 0.98f;

much the palm orientation boosts the push
